

# Tune UP!

**10**  
weeks

A foundation course for  
choir singing or refresher  
for the rusty singer!

- Introductory course putting the FUN back into the fundamentals of singing with a focus on group/choir singing skills

**TuneUP** is not a choir. It's more like the most affordable singing lessons you will ever get in a group situation. Tons of fun & oodles of learning for those who want to sing, learn & laugh.

Yani ChoirMistress

Mieken Falkenbach

- Two instructors who will tag team over the course for different topics
- Supportive group environment
- Learning songs from the beginning – covering repertoire each week
- Review of your skills (for beginners) at the end to see whether you're ready to join Yani's choirs, if that is your goal
- \* Course fee includes USB learning materials, plus discounts for TOF & ROAR members and course repeaters
